

Fellow Compatriots,

The Louisville Thruston Chapter's next meeting is the **Flag Day Meeting** on Saturday, June 16, 2018 at Owl Creek Country Club. The featured speaker is Kandie Adkinson, who is the Administrative Supervisor for the Kentucky Secretary of State's Land Office. She will speak about the Kentucky Land Grant System, including the four steps involved in land patenting – warrants, entries, surveys and grants. To the early pioneers, Kentucky meant the promise of owning their own land, and early settlers could acquire land ownership based upon settlement, purchase, headrights or military service. Join with us on June 16th and learn about the genealogical and historical importance of Kentucky's early land records and how to obtain a copy of your family's land grant. Please return the tear-off portion of this announcement with your check to Treasurer J. B. Hitt as indicated below.
